

## Riverside Updates

Current Events- Upgraded School Safety equipment. New school radios purchased for all classrooms. These radios are recommended by the school district and have great voice clarity, battery life, and reliability.

Principal Staheli- Announces his retirement after 33 years in education. The selection process of a new principal will start to take place by allowing current principals to move to Riverside.

SCC Training - Riverside PTA is organizing Healthy Habits week that will take place January 18th- 21st.

School Safety Responsibilities

Digital Citizenship Responsibilities

Monthly SCC Newsletter- This is sent out to Community Council Members.

## Academic Data Update

Middle of Year Reading scores have been completed.

Kindergarten and 1st grade have seen great results in Proficiency/ Growth.

Using this updated data, we now have a new plan to increase student growth using our reading interventions called HAWK Time.

## Budget

Year to date expenditures- We have only spent approximately 40% of our budget YTD.

Technology- New order of Chromebooks and Licenses for next year's outdated Chromebooks. Upgrading our Multi Purpose Gym area with Audio/ Visual equipment.

Supplies- Move approximately 5,000 to Technology Budget.

Professional Ed. Services- Stipends for teachers fulfilling extra duty roles in the school.

Next Meeting: February 2nd @ 8:00
